STORY

MUFFIN CONE

Can Bluey and Bingo's cousin stop sucking her thumb?

1

"Don't suck your thumb, it's not good for your teeth," Aunt Trixie says on the way to Bluey and Bingo's house. "I want to do what I want. It's MY thumb," Muffin sulks. "OK, well you know what I have to do then..." Aunt Trixie replies.

2

Bluey and Bingo open the door to find Muffin wearing a huuuge **cone**! "It's to make her stop sucking her thumb," Aunt Trixie explains. "She needs to break the habit. If she promises to stop, I can take it off."

3

The kids head to the playroom for a game of Sandwich Shop. Bingo orders a ham and tomato sandwich, but Muffin can't see past her cone and makes a baby sandwich by accident instead!

Then she tries to cut the sandwich with a carrot!

Muffin, you can't see anything with your cone on. Please can you promise not to suck your thumb?

"NO! I CAN SEE!" says Muffin. "Let's go and see Aunt Trixie," sighs Bluey.

4

MEANWHILE...

Aunt Trixie and Mum are chatting. "All she needs to do is not put her thumb in her mouth. It's easy," Aunt Trixie says, as Mum puts down a bowl of chips. "I'm off the chips, trying to eat healthy..." Aunt Trixie tells her, but munches a chip anyway.

Well, one won't hurt.

The kids come into the kitchen. "Aunt Trixie, can you please take Muffin's cone off?" asks Bluey. "If I take it off, the first thing she'll do is suck her thumb," Aunt Trixie says. "Pleeeeeease?" the kids ask. So Aunt Trixie takes off the cone...

... and Muffin starts sucking her thumb straight away!

5

So the cone goes back on. "Why can't you just not suck your thumb?" Bingo asks. "I just can't," Muffin replies sadly. "We can't play Sandwich Shop then," Bluey tells her.

Muffin walks off into the backyard all alone.

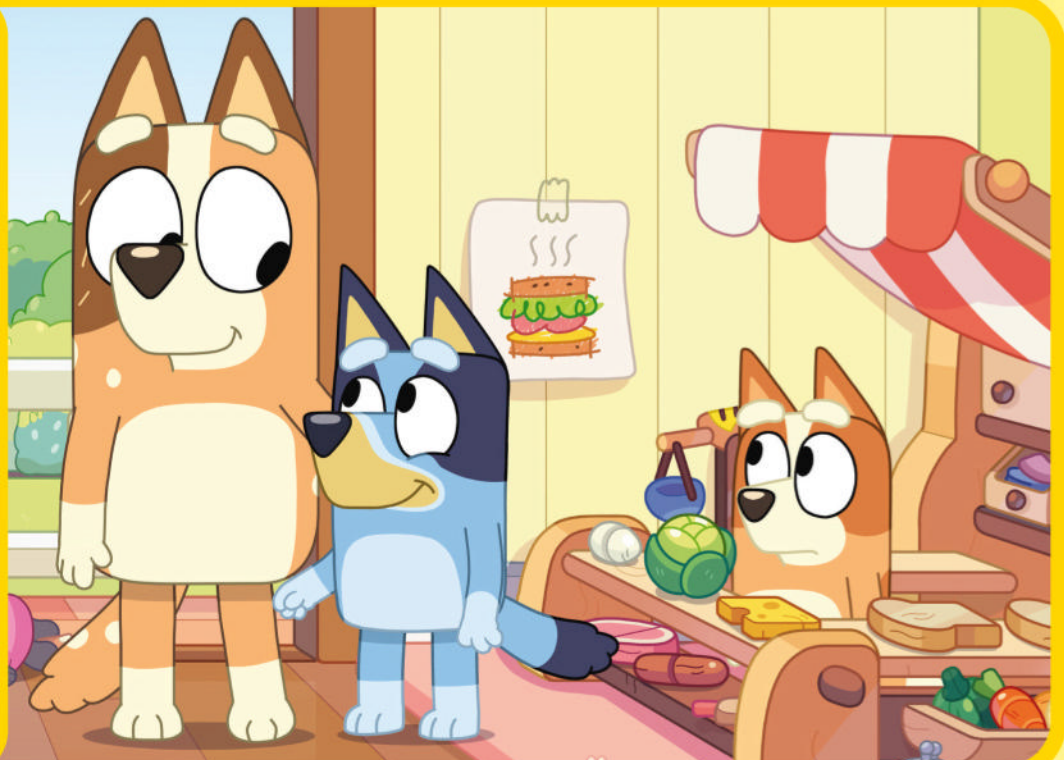

6

IN THE KITCHEN...

Aunt Trixie is still munching on the chips. "Get these things away from me," she giggles, pushing the bowl away. "Oh yes, you're trying to be healthy!" Mum says. "Nah it's fine, I can resist," says Aunt Trixie. Mum notices Muffin sitting outside alone, so she goes to chat with Bluey and Bingo, leaving Aunt Trixie alone with the chips.

Mum asks Bluey and Bingo if there's a game they can all play while Muffin wears her cone. "I think she's feeling a little embarrassed," Mum says. "Well, why can't she just not suck her thumb?" Bluey asks. "She will, one day. Just don't give up on her, OK?" Mum smiles.

6

Bluey and Bingo find Muffin in the garden. "I'm sowwy I can't stop sucking my thumb. I think I have to wear my cone forever," she sighs. "Well then, we're going to think of a game where your cone is OK," Bluey replies. "What if we pop it down?" Bingo wonders, "Aunt Trixie didn't say anything about that," adds Bluey. So they pop Muffin's cone down the other way and turn her into...

a WEDDING WIFE...

a TRAFFIC CONE...

AND a BALLERINA!

HOORAY!

Meanwhile, Aunt Trixie has eaten ALL the chips – she just couldn't stop herself. "Trix!" Mum gasps. "It might be time to take off Muffin's cone," Aunt Trixie sighs. They walk into the garden just as Muffin the cone-seed hatches into a sunflower!

A week later, Muffin returns to play with Bluey and Bingo wearing her...

SLEEPYTIME

Create Bingo's dream...

YOU WILL NEED:

- 250g self-raising flour
- 125g softened butter
- 125g caster sugar
- pinch of salt
- 1 egg, beaten
- icing sugar & food colouring
- white marshmallows
- blueberries, pink lollies & licorice strings
- a grown-up to help

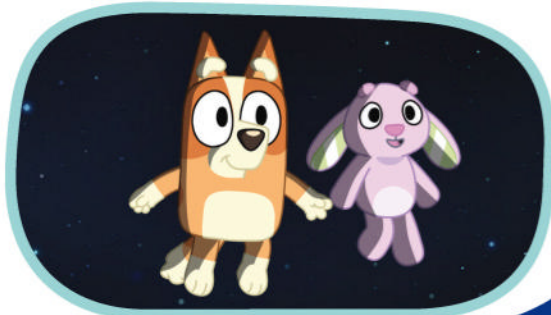

Can you match all the planet pairs?

Biccies

out of biscuits!

1 Mix the flour and butter in a bowl, then add the sugar, salt and egg. Mix to form a dough.

3 Use one of the circles as the face and add more dough to make Floppy's ears and eyebrows! Shape the ears and squish them either side of the face. Use 2 little rolled dough pieces for the eyebrows:

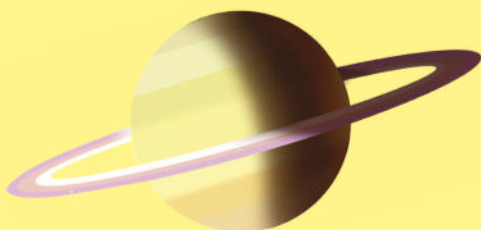

2 Roll out the dough on a floured surface, then use a round cookie cutter to make lots of circles – these will be the planets. Add a thin roll of dough to make Jupiter if you like!

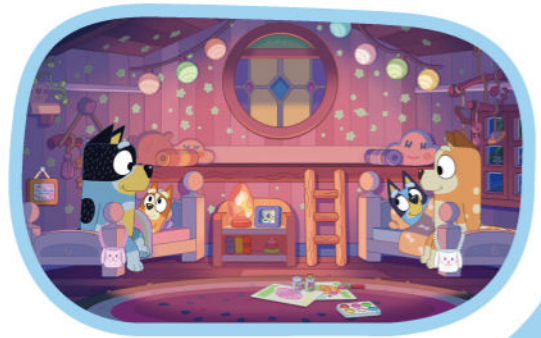

4 Put your biscuits on a baking tray and ask a grown-up to bake them at 200°C for 10 minutes or until golden. Then leave them to cool.

5 Mix icing sugar with food colouring and have fun decorating your biscuits. Use pink icing for the Floppy biscuit, while marshmallows topped with blueberries make great eyes. We used licorice string to add eye rings and a mouth, then topped it off with a pink lolly nose! Swirl different coloured icing together to make cool planets.

EASTER

Eeeee, it's Easter morning! Follow the yellow and pink wavy eggs through the maze to tell the story. Will the Easter Bunny remember Bluey and Bingo this year?

These are clues to where he's hidden our Easter eggs!

1

Bluey and Bingo check to see if the Easter Bunny came. Bingo finds a letter B in her bunny bag and Bluey finds a box... "LETTER-BOX"!

2

In the letterbox, the kids find a chatterbox from the Easter Bunny. The chatterbox leads them to the kitchen, playroom and then the backyard...

3

...in the backyard, the pinciana flowers are arranged in straight lines. "I think it's a picture!" says Bluey. Then Bingo figures out it's a castle...

4

... a sandcastle! Bluey digs for Easter eggs under the sandcastle in the sandpit. But all she finds is... toilet paper. The egg toilet paper clue leads them to...

5

...DAD'S STINKY TOILET!
"Someone has to go in there," says Bluey. "Aw, there will be no Easter."
"Yes there will be, Bingo," says Bluey. "I'm going in!"

6

Bluey spots a pattern on the bathroom mirror: "I know what this is! It's our bedroom window," says Bingo.

7

But there are no eggs in the bedroom either.
"He forgot us again," says Bingo. "It's my fault. I'm just a small, forgettable child," she sighs.

8

"No you're not, you're a great child. You're smart!" says Bluey. And Bingo reminds Bluey that she's brave. Suddenly Bluey spots glitter footprints!

9

They follow the footprints into Dad's study... and under his desk they find HEAPS of shiny chocolate bunnies and eggs!
"HE REMEMBERED US."

TOP TIP

Make fairy cottages from a cardboard tube with a cupcake paper roof. Too easy!

POM POM

Make Pom Pom bunting and get to know this plucky Pomeranian.

GRAB:

- scissors
- cardboard & yarn
- paper, sticky tape & Blu Tack
- a grown-up to help

1 Ask a grown-up to help you snip out 2 cardboard rings (draw around a mug) with a slit on one side.

2 Stack the rings together, then wrap yarn round and round them.

3 Cut the yarn around the edge, inbetween the 2 rings.

4 Using a long piece of yarn, wrap and tie the centre. Then remove the rings and add your Pom Pom stickers. Make more and tie them to a long piece of yarn to make bunting!

Snip and stick these extra bits and bobs!

Read before you snip & ask your grown-up to help with the cutting.

TOP TIP

No yarn? Just scrunch paper into a ball and stick the bits on that instead!

Pom Pom may be small, but she's full of energy and she has a big voice! Try these phrases...

She might say...

Make your own egg carton... EASTER BASKET

YOU WILL NEED:

- 1 egg carton
- extra cardboard & paper
- safe glue, paints & foil
- a grown-up to help

1 Paint the egg carton and fill it with strips of paper, then snip and stick the little eggs and straw from the opposite page.

2 Fold 2 strips of cardboard back and forth like a concertina and stick them to the big bunnies and teddy. Stick them inside the carton so they will pop up when the carton opens!

3 Twist some paper to make the Easter basket handle, add the bow and stick it around the edge of the carton, like this:

4 Decorate the outside of the carton too so it looks really Eastery! You could stick on foil to make it sparkly.

5 Add your Bluey and Bingo figures to your Easter basket (because they're rememberable!).

TOP TIP

Why not add some real little choccy eggs and hide your Easter basket for someone to find? Don't forget to give them plenty of clues!

Bluey and Bingo followed the glitter footprints into Dad's study... and under his desk they found HEAPS of shiny chocolate bunnies and eggs!

Read before you snip & ask your grown-up to help with the cutting.
